## PROJECT EXPERIENCE

### PC EZ — Tech Resource Website

- Created with C#/.NET/SQL/HTML/CSS/Bootstrap - designed to simplify the process of PC building with educational resources, user profiles, and comparison tools

## WORK EXPERIENCE

### Puppingham Palace, Puppingham Palace, Wildwood, May 2019 - October 2019

- Determined the most efficient use of company resources based on available staff and workload and delegated daily and shift-specific tasks to co-workers as necessary

### Senior Guest Advisor, GameStop, Big Spring, TX, April 2018 - January 2019

- Oversaw intake and display of merchandise in accordance with corporate standards.
- Trained and supervised seasonal hires for 2018 holiday season.

### Office Support, Stanolind, Midland, TX, November 2017 - March 2018

- Supported office workflow by organizing and maintaining both digital and physical records of company data.
- Provided troubleshooting for office software and hardware.

## EDUCATION

**LaunchCode**, CodeCamp Programming Course — 2019

**Coahoma High School**, Diploma (Distinguished Level of Achievement) — 2018
